2019: Exceptional fruit • Extremely well-balanced acids and tannins • Ample texture • Concentration of bright red fruit flavors.

A mild winter, uncharacteristically dry, ended up with heavy rains late in the Spring, causing some concern and high soil moisture pre-bud-break. Thankfully things dried out well and the season unfolded almost text-book perfect - a long, warm summer that saw very few heat spikes. Leading up to harvest, we always pray for even temps, cool-to-cold nights and warm, not-too-hot days. Bacchus smiled down and brought us a mild finish to the season, not without a few moments of concern, but the abundant hang-time preserved freshness and finesse, teasing out great color, structure and beautifully ripe tannins. In the end the crop size was about average, to a little less than average. **All in all, 2019 will be another winner of a vintage for Napa Valley!**

Cave Aging:	18 months in French oak barrels
Alcohol:	14.5%

To blend or not to blend, that is often a winemaker's question. **Elevage**, our proprietary blend, explores the idea that multiple personalities can indeed coexist harmoniously in the world of wine. Take the austerity of the Cabernet Sauvignon grape, blend it with the roundness of Merlot, add the aromatic highlights of Petit Verdot, the savory notes of Cabernet Franc and voila, a complex symphony is written. The 2018 vintage brought the return of cool weather which in turn brought a freshness and a layered depth to the wines that is delightful. The finesse, grace and complexity of the aromatics of this cool vintage will be one to remember.

- Appellation:** Stags Leap District, Napa Valley
- Varietals:** 40% Cabernet Sauvignon, 39% Merlot, 18% Petit Verdot, 3% Cabernet Franc

- Aging:** 18 months in 100% new French Oak barrels
- Alcohol:** 14.5%
- Bottle date:** June 2021

“The 2019 vintage will be one to remember and a vivid reminder that in the end Mother Nature is at the helm. We went from a very rainy late winter to spring, to some mild heat spikes, to cold mornings and some of the most intense winds we have seen in October. The wines of 2019 are multi-layered, with freshness and finesse.” – Elizabeth Vianna, Chimney Rock Winemaker and General Manager
